Post doctoral position at the Department of Statistics – Universidade Federal de Minas Gerais, Brasil

The Graduate Program in Statistics of the Universidade Federal de Minas Gerais at Belo Horizonte, Brazil, is looking for candidates to fill a postdoc position. The position is for one year, with the possibility of being extended for another 12 months. It offers a monthly allowance of R\$4,100.00 (around 1,000 USD), tax free.

Candidates must send the following documents to pgest@est.ufmg.br:

1. A copy of the passport page with photo and personal information;
2. A copy of the Curriculum Vitae;
3. A research proposal in the area of Statistics and Probability;
4. Indication of at least one professor in the Department to supervise the project (see <http://www.est.ufmg.br/portal/pos-graduacao/corpo-docente>).

This is a full-time position. The postdoc fellow is expected to attend and present seminars at the Department and present the results of the research after six months and up to 30 days after the end of the fellowship. Furthermore, the candidate may have to teach up to one course per term, depending on the department's needs.

The deadline for applications is September 30th, 2018 and the activities will begin in November, 2018.

For further information, please contact Prof. Flávio Gonçalves - Postgraduate Director, at fbgoncalves@est.ufmg.br.
